

JCI ASPAC Malaysia Night (JCI Butterworth City)

Participant: President Evon Tan

JCI ASPAC Malaysia Night was organized during ASPAC 2018 to promote Malaysian culture to international participants.

During the night, several cultural activities and food were provided, allowing international participants to experience truly Malaysian culture.

JCI Butterworth City was in-charge of rope skipping activity. Rope skipping is a local children game. During the game, 2 persons hold each end of a rubber band-made rope, while a 3rd person jump over the rope while touching the rope at the same time.

It was an interesting game that foster relationship between the players. All international participants enjoyed the game.
